NOTICE TO NEW PARTICIPANTS

You have become a participant in a 403(b) plan established and administered by the Board of Pensions of the Church of God ("Plan").

The National Securities Markets Improvement Act (the "Act") signed into law on October 11, 1996, exempts church plans from federal and state securities laws, except for anti-fraud provisions. In order to qualify for the exemption, church plans must satisfy eligibility requirements under Code Sec. 414(e) and the assets of church plans must be used exclusively for the benefit of plan participants and beneficiaries. Church plans continue to be subject to the Internal Revenue Code and its regulations regarding eligibility, governance, and operations of such plans.

The Act requires the Plan to notify participants that the Plan is not subject to and the participants are not covered by state and federal securities laws. The following notice is provided in accordance with the Act:

The Plan or any company or account maintained to manage or hold assets of the Plan and interests in such Plan, companies, or accounts (including any funds maintained by the Board of Pensions of the Church of God) is not subject to registration, regulation, or reporting under the Investment Company Act of 1940, the Securities Act of 1933, the Securities Exchange Act of 1934, Title 15 of the United States Code, or State securities laws. Therefore, the Plan participants and beneficiaries will not be afforded the protections of those provisions.
